TRADITIONAL MONTERIA IN SPAIN

The traditional driven hunt known as Monteria is one of the most exciting hunts you can find in Spain. On this very special hunt you are hunting Red Stags, Fallow Stags, Mouflon, Wild Boars and Hinds. A number of "rehalas" (packs of hounds – sometimes up to 300) along with their respective "rehaleros" (unarmed beaters) are chasing the game in front of the waiting guns. Hunters are positioned on stands or peaks where they can cover some huge areas. Shooting distance is between 50-200 m.
